

CABINET LOUDSPEAKERS

04, 05 Wall Mount Plastic Loudspeakers

Elegant design background music loudspeakers for indoor and outdoor use

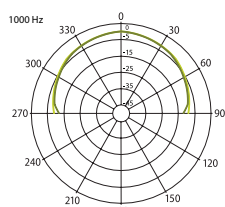

04, 05

04 and 05 loudspeakers provide a highly responsive woofer diagram, minimalistic design, and smart mounting brackets. Two-way speaker design with crossover and very responsive woofer diaphragm make it sound clear and rich don't matter quiet or loud. Built-in 100 V transformer and 16 Ω power tap make these loudspeakers suitable for background music and public address systems, as well as for home use. IP55 rated - suitable for outdoor conditions. Loudspeakers can be mounted vertically and horizontally, the logo is rotating depending on its position. Smart mounting brackets let mount and adjust the loudspeakers in a very easy way.
