

elipson | Performance CD300

CD PLAYER

Discover the new CD player from our PERFORMANCE range, the CD300. With its ability to play CD, CD-R, CD-RW, MP3, WMA, and WAV formats, it is the perfect option for the most demanding music lovers.

Its 16-bit, 44.1 kHz audio resolution offers unparalleled sound quality. The Line Out RCA/XLR outputs, as well as the optical and coaxial S/PDIF digital outputs, allow for easy connectivity with your existing audio system. The elegant and refined design of the CD300 perfectly complements the PERFORMANCE range for an exceptional listening experience.
