

Prestige Facet 6B BT

The Prestige Facet series includes a complete range of high-quality speakers. Ongoing research has introduced in this series numerous technological innovations as well as rigorous quality finishes that reflect the expertise of Elipson for nearly 80 years. Since its launch in 1975, the Prestige line has enjoyed immediate success among audiophiles, thanks to its neutrality and its fidelity, combined with heightened sensitivity. Featuring the latest technologies, it is bound to impress you with its uncanny sound fidelity. No coloration or audio fatigue can be detected, just the pleasure of a captivating sound that is free any aggressiveness. This audiophile design gives free reign to all your applications, as well as in Hi-Fi or in home-theatre, and makes you enjoy an exceptional sound experience. In addition to its passive speaker range, the Prestige Facet series now offers active speakers. While keeping its excellent audio quality, the Prestige Facet active speakers are very easy to use by connecting to any device via low latency Bluetooth.
