POWERED SUBWOOFER

Its intelligent design and high-quality craftsmanship guarantee a premium sound experience at an affordable price.

Welcome to the world of Prestige Facet 10.1, the brand-new subwoofer from the Prestige Facet series, specifically designed to offer an accessible audio experience without compromising on sound quality.

At the heart of this subwoofer lies its 250mm bass speaker equipped with a fiberglass membrane, providing a unique combination of rigidity and lightness, thus delivering powerful and precise bass.

With a frequency response of 29 Hz ( $\pm 3\text{dB}$ ), this subwoofer is capable of reproducing the deepest bass, providing a complete and immersive sound experience.

With a power output of 200 W RMS, the Prestige Facet 10.1 ensures powerful and accurate bass, allowing you to feel every drumbeat, cannon shot, or explosion with a newfound intensity.

Its intelligent design and high-quality craftsmanship guarantee a premium sound experience at an affordable price.
