

# elipson | W35 Xi

CONNECTED LOUDSPEAKER

The high-end speaker which combines superior sound quality with improved connectivity for the ultimate listening experience.

Discover the new generation of the W35 connected speaker, the **W35 Xi**. With its Air-Play 2 and Chromecast compatibility, the W35 Xi speaker allows you to wirelessly stream music from your smartphone, tablet, or computer with exceptional audio quality. You can easily control it from your mobile device or with the Elipson Multiroom app available on iOS and Android.

The W35 Xi also features significant sound improvements, with clearer and more precise high and mid-range frequencies for faithful sound reproduction of the original recording. The minimalist and elegant design of the W35 Xi speaker, tinted with a deep and intense black color, perfectly embodies the alliance of tradition and innovation.

This exceptional French creation is made from superior quality materials for a timeless aesthetic and unparalleled durability.
