

## WHAT HI FI?

# Monitor III

## Hifi loudspeakers

This is one of the most talented compact speakers of its generation. Awarded with the famous 5-star What Hi-Fi label, the Eltax Monitor III is gifted with plenty of possibilities. Considering its small size, the bass sounds incredible. This compact speaker features two loudspeakers, one of them is a 13 cm bassmidrange driver with a bass reflex system, the other one is a soft dome tweeter allowing a frequency response ranging from 50 Hz to 22 kHz . The tweeter is firmly driven and offers a very precise high and midrange sound, resulting in a spatial effect and accurate sound. The Eltax Monitor III performs well, both in hi-fi and home theatre. Last but not least, the speaker has decoupling spikes and a dual amplification terminal.

- Best value for money
- Decoupling spikes
- Bi-wiring terminal
