

Manual

Retractable

A mobile screen to take anywhere.

This quality screen will be perfect anywhere, thanks to its easy install system, its rotating case and its optional castors.

A manual screen set on a tripod featuring the same high end canvas as other Lumene screens, the Arcadia is the perfect solution for traveling presentations or for occasional uses. The square format and the continuous height regulator system allow you to adjust the size of the image to any format (1:1, 4:3, 16:9). Not only does it feature a thick canvas, the Arcadia also incorporates a sturdy spring and an anti-corrosion treatment of the case so it will be a long-lasting investment.

Easy to install
