

Fixed frame

3D fabric

Enter a new dimension.

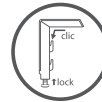

Grey in colour and featuring a higher gain (2.0), this canvas offers high contrast and high-quality images thanks to enhanced luminosity. With the technology featured in the Movie Palace Premium 3D, you can now enjoy rich colors thanks to highly pronounced contrast. Enjoy high definition with a canvas adapted for 3D projection, capable of reproducing precise and exceptionally vivid images even in relatively bright environments. The Movie Palace Premium 3D is undoubtedly the best choice for your dedicated screening room.

Perfect tension

Easy to install

Fast and clipping system

Velvet frame
