

COMO

DIMENSIONS

DESCRIPTION

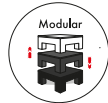

In order to offer high performance products with perfect aesthetics, Norstone launches the Como range. This range consists of 4 modules of different heights to allow you to build the Hi-fi cabinet that suits your needs.

We have used the highest quality finishes, with beautiful black leather covering each of the shelves and perfectly inert legs using solid stainless steel tubing with shock absorbing joints. This range is the perfect solution to enhance and optimise the performance of your components and thus meets the needs of the most demanding audiophiles and music lovers.

MAX LOAD

COMO BASE

Finish : Gun metal
Structure : Ø50 mm Solid stainless steel tube
Shelf : MDF and leather
Shelf thickness : 25 mm (MDF) + 3 mm (leather)
Maximum load : 50 kg
Dimensions : W690 x H142 x D600 mm
SKU : NORCOMBASLFBK
EAN : 3700795180556

COMO I

Finish : Gun metal
Structure : Ø50 mm Solid stainless steel tube
Shelf : MDF and leather
Shelf thickness : 25 mm (MDF) + 3 mm (leather)
Maximum load : 50 kg
Dimensions : W690 x H183 x D600 mm
SKU : NORCOM1LFBK
EAN : 3700795180570

COMO II

Finish : Gun metal
Structure : Ø50 mm Solid stainless steel tube
Shelf : MDF and leather
Shelf thickness : 25 mm (MDF) + 3 mm (leather)
Maximum load : 50 kg
Dimensions : W690 x H213 x D600 mm
SKU : NORCOM2LFBK
EAN : 3700795180594

COMO III

Finish : Gun metal
Structure : Ø50 mm Solid stainless steel tube
Shelf : MDF and leather
Shelf thickness : 25 mm (MDF) + 3 mm (leather)
Maximum load : 50 kg
Dimensions : W690 x H313 x D600 mm
SKU : NORCOM3LFBK
EAN : 3700795180617
