ZU707T

## High brightness professional laser projector

- Bright WUXGA laser projector 7000 lumens •
- 30,000 hours maintenance-free laser light source •
- Control with HDBaseT 3.0, RS232 and OMSL •
- 4K, HDR and HLG Compatibility •

At 7000 lumens, with 4K and HDR compatibility, the ZU707T features a dust-resistant IP6X certified optical engine for 24/7 operational capabilities and low maintenance. The ZU707T projector features longlife laser technology, manual horizontal and vertical lens shift and built-in 15W speakers.

## **Specifications**
