

This kit is composed by a **RADIO FREQUENCY** handheld **REMOTE CONTROL** and a receiver that should be connected to the product you would like to radio-control.

The receiver can be easily hidden

thanks to its small dimensions (**12,5x4x2,5 cm. – WxDxH**).

The kit radio external can be used with the whole range of electric screens and with the projector lifts SI-100 and SI-200.
