

spectrum X5BT

2-way Bass-reflex Bluetooth bookshelf speaker

tangent[®]
DANMARK

- HIGH QUALITY INPUT BLUETOOTH WITH APTX
- ANALOG AND DIGITAL INPUTS
- SUBWOOFER OUTPUT
- IR REMOTE CONTROL

The new Spectrum X5BT benefits from a wide dispersion 25mm soft fabric dome tweeter, together with a 5 inch long throw paper bass driver with protective metal mesh grille.

Featuring the latest wireless technology, the powered version boasts high quality Aptx Bluetooth streaming, so you can play your favourite tracks wirelessly straight from your smartphone, tablet, or PC/Mac.

The powered version also provides up to 50 watts class AB signal processing, analog and digital optical inputs for ultimate connectivity, together with a subwoofer output when additional bass is required. These compact bookshelves speakers are supplied with a full remote control and are available in attractive midnight black or polar white matt finishes with walnut base plinths.
