DESCRIPTION

Tangent unveils the Ampster BT III, a modern, optimised evolution of its acclaimed Ampster BT II.

Its sleek design blends in perfectly with any interior, while its HDMI ARC output makes it easy to integrate with your TV for a simplified audio experience.

Featuring Bluetooth 5.1 with aptX-HD, it guarantees high-fidelity wireless transmission.

Versatile, it has a number of analogue and digital inputs, including a phono input dedicated to vinyl turntables. With 2 x 50 W of power, the Ampster BT III combines compactness, advanced features and remarkable sound quality.

An ideal choice for modernising your audio installation without compromise.
