DESCRIPTION

Discover the Tangent Spectrum Square bluetooth loudspeaker : an elegant solution to integrate a loudspeaker into your living space, thanks to a design carefully crafted to perfectly match IKEA® Kallax and Expedit furniture.

Equipped with two 1" silk dome tweeters and two 4" drivers, the Spectrum Square loudspeaker delivers exceptional audio performance.

The loudspeaker's built-in Bluetooth 5.0 TWS (True Wireless System) connection lets you stream music wirelessly from any compatible device. Thanks to the TWS system, you can connect the Spectrum Square to another audio device without using cables.

The Spectrum Square also comes with a choice of two grilles : black and grey and 5 optional grids : White, Blue, Red, Pink and Orange. So you can customize its appearance to match your interior style.
