

Flat panel table/furniture lifts

FPLTSR V5.3 side rotation

FPLTSR V5.3 series is completed with a group of models that combines vertical elevation with side rotation (left or right to be determined at order confirmation) providing a full coverage of clients' needs.

Technical details

Model	FPLTSR V5.3-500	FPLTSR V5.3-600	FPLTSR V5.3-700	FPLTSR V5.3-800	FPLTSR V5.3-900
Maximum elevation height (flat panel height + furniture cover pitch)	≤ 450mm	≤ 550mm	≤ 650mm	≤ 750mm	≤ 850mm
Maximum load (flat panel+furniture cover)	25kg		35kg		45kg
Automatic side rotation up to	90degrees				
Lift dimensions (HxD)	525x235mm	625x235mm	725x235mm	825x235mm	925x235mm
Mounting flat panel hole pattern up to	500x350mm	600x400mm		800x400mm	
Cable management system	✓				
Standard color of metallic parts	RAL 9005 black				
Power supply	wire control at 230VAC-50Hz				
Optional controls	RF & IR remote control, low voltage contacts
