

### PLCV6 series

The **slimmest** projector ceiling lift is a reality!

Inner ceiling depth only **1.5cm + projector height** (for projectors' height >135mm)!

Easy to install, with high quality technical specifications and consistent with Unitech Systems' philosophy for reliable and firm constructions, PLCV6 series is the ultimate solution for slim ceiling applications.

Model	PLC V6.1
Projector dimensions (WxD) in mm	530x645mm
Maximum load (projector+ceiling cover)	20kg
Lift dimensions (WxD) in mm	787x821mm
Mounting area dimensions (WxD) in mm	482x430mm
Lift height	<b>1.5cm</b> +projector height (for projector height >135mm)
Standard drop distance	300mm
Cable management system	Y
Standard color of metallic parts	RAL 9005 black
Optional RAL color selection	up on request
Power supply	wire control at 230VAC-50Hz
Optional controls	RF & IR remote control, low voltage contacts
