

Universal projector ceiling mount with telescopic pole

Overall length 440-735 mm (17.32" – 28.94")

Full adjustment: tilt at top for sloping ceilings / pitch and roll at the bottom

The TM-TELE Techmount is a projector ceiling bracket for anchoring any data projector safely to a ceiling. The telescopic design allows fast deployment and adjustment without the need cut and drill the pole. It has a greater range than most other telescopic mounts and the pole can be removed for “flush-mounting” the projector as close to the ceiling as possible. *Note: unlike the TM-1200 the length of this bracket cannot be extended.*

#### One-Man Installation

Thoughtful design detail include a length adjustment clamp system which requires only one hand.

#### Sloping Ceilings

A tilting mechanism is included which tilts to a full 90 degrees, allowing you to use the bracket as a boom if need be.

#### Safety Approved

A back-up fall-arrest tether is included which secures the projector to your bracket, and the pole has a mechanical stop so that the two parts of the pole cannot be separated. Vision recommends a maximum safe working load of 10kg which is well within the limits of the product and meets the BSi installation standard specification (PAS122:2009).

#### Easy fit

Projectors have threaded inserts in the bottom for attachment – but not all use the same diameter screws so Vision includes a selection to suit most projectors. Simply locate the “spider” arms on our bracket over the attachment holes, and insert a screw into the projector.

#### Obstruction-free Cable Management

Vision’s unique ‘chute-through’ system leaves cable access clear – even for big VGA connectors.

#### Tools Included

A spanner and pin-hex key are included. Vision also includes a hex-key bit for a power drill to speed up installation.

#### Secure

Quick-release mechanisms make life easier for thieves, so the TM-TELE is secure and features security bolts.

## SPECIFICATIONS

**BOX DIMENSIONS**

393 x 150 x 80 mm / 15.47" x 5.91" x 3.15"

**PACKAGED WEIGHT**

3 kg / 6.61 lbs

**SAFE WORKING LOAD**

10kg / 22.05 lbs

**COLOUR**

Satin White

**ACCESSORIES INCLUDED**

1 x H50 Pin-Hex key 1 x H50 power drill hex bit 1 x 17mm (0.7")  
Spanner 4 x M3 40mm (1.57") screws 4 x M4 40mm (1.57") screws  
4 x M5 40mm (1.57") screws 4 x M6 40mm (1.57") screws 4 x M2.5  
40mm (1.57") pan slot 1 x Safety Tether 1 x Ceiling Trim Disc

**WARRANTY**

Lifetime return-to-base

**COMPLIANCES**

RoHS, TUV-GS
