

MOUNT SOLUTIONS

PROJECTION SCREENS

napofix.pt

MORE THAN 30 YEARS OF LEADERSHIP IN THE PORTUGUESE MARKET

Napofix has been operating in the audiovisual market since 1990, focusing on the development and production of projection screens and mounts for a wide av industry range.

Its permanent commitment to innovation and constant updating to the most current needs of the market has earned it the recognition of the sector over the years, directing its commercial strategy to the main distributors.

With its own production in asia, napofix has actually the right answer to a wide range of applications, from the most complex pro av solution to the simplest utility bracket, always with its quality warranty seal.

A photograph of two men in a server room or data center. They are sitting at a desk with multiple computer monitors. The man on the right is pointing at a monitor displaying code or data. The background is filled with rows of server racks and a blurred city skyline at night with many lights. The overall color scheme is dark blue and black with warm light from the monitors and city lights.
